James & Lindsay
Limited

With excellent relationships with the UK's leading agricultural companies, James & Lindsay could find you a great deal on a wide range of agricultural insurance products. Whether you're looking to insure your tractor, agricultural machinery, crops or estate, we're here to help.

AGRICULTURAL INSURANCE

When it comes to running a farm, there are lots of insurance risks to consider and no two farms are the same. From large arable to small dairy, the differences can be substantial and you'll want to make sure you have insurance cover in place that takes your unique situation into account.

Our farm insurance team has the experience and knowledge to quickly establish which agricultural insurance products you need and arrange a bespoke policy on your behalf. This way you can be sure that you have the right level of cover in place, and that you're not paying for any cover you simply don't need.

Available covers include:

- Agricultural machinery insurance
- Livestock cover
- Estate insurance
- Crop cover
- Liability cover
- Equine insurance
- Renewable energy insurance

These covers and more can be tailored to suit the needs of your farm so whatever your size or specialty, why not see if James & Lindsay could provide you with the support you need.
