Finding genuine insurance advice local to you isn't as easy as it seems. With so many options online, it's easy to choose cover that is both generic and ineffective.

At James and Lindsay, we strive to offer trusted cover delivered by a team of dedicated insurance experts. We have been providing insurance for businesses of all sizes in the Colchester area and beyond for more than 80 years. We are built on experience and our clients recognise the first-class customer service on offer.

The advice our experts offer for both business clients and personal clients is independent and tailored to your needs. From insurance for businesses, agricultural insurance and protection for private clients, you are our priority.

**Commercial cover
made with simplicity**

As a business owner, there are a multitude of issues you could face and considering all of them single-handedly is dangerously unrealistic.

At James and Lindsay, our personal approach to commercial insurance gives us the opportunity to truly understand your business goals, needs and risks.

It means we can tailor a specific policy suited to you with ease. Since no two businesses are the same, our experts can offer independent advice that applies only to your business, whatever your size or sector.

Commercial Combined

Tailored to the specific needs of your business, Commercial Combined cover usually includes a range of liability cover, business interruption, material damage to buildings, stock cover, and much more.

Commercial Liability

A specific aspect of commercial insurance, our Commercial Liability can include employers' liability, public liability, cyber liability and measured liability policies to protect directors and officers.

Directors & Officers

Quickly becoming a business essential, Directors & Officers (D&O) liability protects key staff from incidents arising out of their negligence, as well as scenarios involving discrimination and breaches of duty.

Motor Fleet

Our Motor Fleet policy can protect vehicle fleets of 3 or more vehicles, covering breakdown, theft, windscreen damage, EU travel and unlimited liability against third party death or injury.

Motor Trade

For repairers, bodywork specialists, MOT testers and more, Motor Trade cover is an ideal insurance solution, encompassing vehicles, tools and equipment and indemnity and liability cover.

Professional Indemnity

Built to protect your professional acumen, Professional Indemnity helps you pay for compensation and legal fees after a mistake you make results in a loss for your client. A staple for professionals.

Property Owners

From single property owners to those with large and diverse properties, our Property Owners cover can include a range of liability options, material damage and cover for unoccupied properties.

Cyber

A bespoke design, our Cyber Insurance covers malware, ransomware, data theft and data loss. In today's world, Cyber cover is an essential, especially if you store sensitive client data.

Tradesmen

Tradesmen of all kinds can be protected under our dedicated Tradesman insurance, covering tools and equipment, your van, ongoing projects and any liability issues you come up against.

Shops & Offices

A diverse insurance product covering diverse needs, Shops & Offices cover can include buildings and contents cover, business interruption, assets, liability, stock cover and goods in transit.
